Ms. Wilkie:

As per discussion with Sage Faulkner, this is to verify that 372 acres owned solely by William R. Pape and Louise Wohl Pape has erroneously had William Melton's name included in the water rights. The Pape's and Mr. Melton and heirs own/owned an adjoining 1,374.255 with associated water rights. It is our assumption that during adjudication, all properties were filed together.

Your office assured Mrs. Faulkner that water rights are tied to land, and cannot be separated, but in order to clear up the error, we are submitting the following request. Please remove Mr. Melton's name from water rights associated with the 372 acre parcel owned solely by the Pape's (parcel 1-016-172-260-280). As you will see in the title and file description, Mr. Melton's name is not included as an owner.

Signed,

William N. Melton

Louise Wohl Pape
